Elven Sabre-Toothed Pussycat

Meeoww!

Mark a Hero that is accompanied by a sabre-toothed pussycat with an Elven cat model. The Hero has a ranged attack with a range of 12" that can be used only once per game (remove the cat once it has been unleashed).

This weapon can only be used against Heroes or Monsters, War Engines and Troops. The cat, with typical feline obedience, refuses to attack any body of troops larger than that.

When you send the cat to seek its prey, roll 5 dice to hit, regardless of the firer's Attacks. The cat always hits on 4+, regardless of modifiers, and has the *Piercing (1)* rule. Then, for any point of damage caused, roll to hit and to damage again, as the cat has its way with the victims. Repeat this process again and again until you fail to score any damage, at which point the cat has been slain or has wandered off to lick the gore off its paws.
